

# The Total Protection Roofing System™<sup>^</sup>

Total Protection Roofing System™<sup>^</sup> is the name we give our system of Owens Corning™ roofing components. Coverage under the Platinum Protection Roofing System Limited Warranty\* is determined by the number of Total Protection Roofing System™<sup>^</sup> components installed on your roof. See **REQUIREMENTS** for more information. Non-Owens Corning™ products such as flashing, fasteners and wood decking are not covered under the terms of this warranty. The graphic below helps you see where these Owens Corning™ roofing products are typically located on a roof deck. From beautiful, water-shedding Owens Corning™ shingles to ventilation, ice and water deck barrier and starter shingle products, the Owens Corning™ Total Protection Roofing System™<sup>^</sup> is designed to increase the performance of your roof.
